## ACADEMIC COSTUME

In 1895, the Intercollegiate Commission, a group of leading American Educators met at Columbia University to draft a code which would serve to regulate the design of gowns and hoods indicating the various degrees as well as the colors to indicate the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelors are made of black worsted materials and have long, pointed sleeves. Those worn by the masters may be made either of black silk or black wool and have long closed sleeves with the arc of a circle near the bottom. The arm goes through the slit giving the appearance of short sleeves for the master's gown. Doctor's gowns are made of black silk and are faced with velvet. The sleeves are full, round and open with three bars of velvet on each sleeve. The velvet facing of bars on the sleeve may be black or the same colors as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree. Colored velvet or velveteen binds the hoods and indicate the department of faculty to which the degree pertains.

Historical associations of color have been continued to signify the various faculties. Some of these are as follows:

Arts and Letters	White
Business	Drab
Education	Light Blue
Engineering	Orange
Medicine	Green
Music	Pink
Philosophy	Navy Blue
Science	Golden Yellow
Social Science	Citron
Theology	Red

## HONOR GRADUATES

This year's honors graduates will wear a gold cord. Phi Theta Kappa members, in addition to the gold cord, will be wearing a gold honor stole. Graduates of the Honors Program will wear a silver tassel.
